3.3. INSTRUCTIONS FOR ONLINE BID SUBMISSION:

3.3.1. The bidders are required to submit soft copies of their bids electronically on the e-Procurement Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the e-Procurement Portal, prepare their bids in accordance with the requirements and submitting their bids online on the e-Procurement Portal. More information useful for submitting online bids on the e-Procurement Portal may be obtained at: <https://pudutenders.gov.in>.

3.3.2. REGISTRATION

- i. Bidders are required to enroll on the e-Procurement module of the e-Procurement Portal (URL: <https://pudutenders.gov.in>) by clicking on the link "Online bidder Enrolment" on the e-Procurement Portal which is free of charge.
- ii. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- iii. Bidders are advised to register their valid e-mail address and mobile numbers as part of the registration process. These would be used for any communication from the e-Procurement Portal.
- iv. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any of the Certifying Authority recognized by CCA India (e.g. nCode, eMudhra etc.), with their profile.
- v. Bidder then log-in to the site through the secured log-in by entering their user ID / password and the password of the Digital Signature Certificate.

3.3.3. SEARCHING FOR TENDER DOCUMENTS

- i. There are various search options built in the e-Procurement Portal, to facilitate bidders to search active tenders by several parameters. These parameters include Tender ID, Organization Name, Location, Date, Value, etc.
- ii. Once the bidders selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the e-Procurement Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- iii. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the helpdesk.

3.3.4. PREPARATION OF BIDS

- i. Bidder should take into account corrigendum published on the tender document before submitting their bids.
- ii. Please go through the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the name and

content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- iii. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document and generally they can be in PDF format. Bid documents may be scanned with 100 dpi which helps in reducing size of the scanned document. Maximum size of the bid document shall not exceed 35 MB.

3.3.5. SUBMISSION OF BIDS

- i. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission date/time. Bidder will be responsible for any delay due to other issues.
- ii. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- iii. All the documents being submitted by the bidders will be encrypted using PKI encryption techniques to ensure secrecy of data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. Confidentiality of bids is maintained using the Secured Socket Layer(SSL) 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using Department's bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- iv. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- v. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission acknowledgement which is downloadable/printable. This acknowledgement may be used as an entry pass for any bid opening meetings.

In addition, the Tenderer should comply with and adhere to the rules, conditions and guidelines framed by the Excise Authorities of Puducherry and the State of origin as contained in the Import and Export Permits. He shall also comply with all other laws as are applicable. The Company will not entertain any request for submission of an Indemnity Bond without reason unless specified in the origin State's Excise rules and regulations.

7.4 The strength of Extra Neutral Alcohol should not be less than 96% v/v and should strictly conform to IS: 6613:2002. The Company will depute its own official(s) to the respective distillery from where ENA will be bought to test the quality, quantity and the strength of the ENA.

7.5 The ENA received at Company's site will be verified by the officials of this Company and also by an expert drawn for this purpose in the presence of Excise official in respect of the quantity, strength and quality. If on analysis of

such ENA, the report reveals any non-conformation to the prescribed standards, defect / colouration or any other contamination, the Company will have the right to summarily reject that consignment of ENA. The decision in this regard taken by the Managing Director of the Company will be final and binding on the Tenderer.

7.6. If the supply made does not meet the above specification of 68 O.P. but fulfills all other conditions, it will be considered subject to such penalties and deductions as may be worked out by the Company based on the receipt strength of ENA.

7.7. Whenever the Tenderer is authorised to use the Import Permits issued in the name of the Company, the Tenderer shall undertake to indemnify the Company and to assume full legal responsibilities for proper and systematic use of the Import Permits for ENA and for any misuse thereof, it will be solely and exclusively his responsibility under law and for any lapse / mistake on his part till the ENA is delivered at the Company's Ariyapalayam site, all legal action shall be directed towards the Tenderer only. The Tenderer must utilise the Import Permit to procure the ENA within the validity period mentioned in the import permits. It is the sole responsibility of the successful Tenderer to comply with all necessary and applicable Excise and Transportation formalities of the State of origin and the en-route States.

7.8. The tankers should reach only on working days during working hours of the company. The unloaded tankers should be cleared from the company premises within SIX hours from the completion of unloading beyond which a ground rent will be charged from the contractor.

8. DELIVERY PERIOD :

The total quantity of ENA is to be supplied as per the Supply schedule given by the Company at the time of execution of the contract or from time to time. The contractor must strictly adhere to the Supply / delivery schedule given by the Company failing which the Managing Director has the right to cancel the supply order forthwith with all attendant penalties against the defaulters.

Note: The tenderer should deliver the ENA as per the Supply schedule date given by the Company and the tenderer should not confuse with Import Permit validity date issued by the Excise Department, Govt. of Puducherry.

9.6 The verification of documents in the technical bid, the decision to open financial bid to readout the prices quoted by the tenderer, by the tender opening committee is only provisional subject to further verification.

9.7 The Tenderer shall bear all costs associated with the preparation and submission of his tender, the Company will in no case be responsible or liable for these costs, regardless of the conduct outcome of the Tendering process.

9.8 The Tenderers are responsible to furnish all the required particulars along with the tender. No correspondence will be made on this account from this office/ department.

9.9 The Tenderer has to produce any other documents / Certificates / particulars required by the respective exporting / importing State Excise Department while the Company applies for Export Permits for lifting of the ENA from the Tenderer.

10. MODE OF PAYMENT :

10.1 Payment for the supply of ENA will normally be made in three days on receipt of the same at Company's end and after due verification by the officials of this Company in the presence of Excise officials in respect of the strength, quality and quantity. *However, the concerned Exporting State's Excise Rules and Regulations, if any, in this regard will be also be taken into account.*

10.2. For effecting the payments, no request to register any Power of Attorney executed by the contractor will be entertained. All payments will be made through RTGS on the Contractors name only at the cost of the tenderers. The supplier *should raise Taxable Invoice wherever applicable as per GST Act with all the details required thereat.* Payments will be made against invoices per Permit, raised by the successful Tenderer (viz., by the supplying Distillery

only). No middlemen's bills on behalf of the contractor will be entertained for any part or item of supply in this regard. No procurement advance would normally be granted by the Company. However, if the supplier requests so in writing, the payment against each invoice will be done as under OR as may be stipulated by the Export State Excise procedures.

- a. 50 % payment will be done in advance before loading of the tankers.
- b. 50 % payment after delivery, analysis and acceptance of the consignments at our end within three days.
- c. Separate transport bill with GST at minimum GST rate shall be raised for payment , in case of transport arrangement made through Goods Transport Agencies (GTA).

10.3 *The Company's final product is Arrack for human consumption and out of GST Act. The supplier shall be required to pass on GST/ ITC benefits wherever possible or applicable to the Company by giving a discount or reduction in price or cost in the invoice itself specifically.*

11. TRANSPORTATION :

11.1 It is of utmost importance that the ENA should be transported in clean tankers fully complying with the Motor Vehicles Act and all other laws in force and the tankers should be absolutely free from foreign odour such as kerosene, diesel, petrol or any other material. If the ENA delivered at the Company site is found to be coloured or have the foreign odour, the entire quantity will be summarily rejected. The cleaning / servicing / rinsing of the tankers should be made at the tenderer's risk / cost.

11.2 The contractor should deploy sufficient number of clean and acceptable tankers with currently valid documents including calibration certificate to the satisfaction of the Excise Authorities at the Company, so that the ENA can be transported well within the validity period of the Permits.

11.3 The tenderer should get the tanker cleanliness certificate by the Company's chemist who will issue the same after the fullest satisfaction only.

11.4 The tanker lorries with ENA shall follow the routes specified on the Import/Export Permits and the permit papers should be got endorsed at the Excise Check-Posts specified on the permit. Each consignment of ENA shall be accompanied by sufficient Excise Escorts from the Excise Department. The expenses for engagement of Excise Escorts shall be fully borne by the Tenderer.

11.5 All the relevant documents like import/export permits, Transit Permits and Tankers Permits in original are to be carried along with the ENA tankers and must be kept updated for a period till that batch of ENA is delivered at the Company's site at Ariyapalayam.

11.6 If the unloading of the ENA at the site of the Company gets delayed due to unavoidable circumstances the Tenderer shall have no right to claim any **demurrages** from the Company.

11.7 If the vehicle is detained at any place by any statutory authority, it will be the sole responsibility of the Tenderer to get the vehicle released and no demurrage will be payable by the Company for the same.

11.8 As this Tender is for a **FOR contract**, any loss or damage to the ENA due to an accident of your vehicle during transportation will be at the contractor's own risk only. The contractor should however intimate the Company about the accident immediately. The cost of the quantity lost, if any, will be recovered from the bill.

12. RIGHT TO ACCEPT OR REJECT TENDER AND TO POSTPONE THE LAST DATE FOR RECEIPT AND/OR OPENING OF TENDER :

12.1 The right to accept or reject the Tender will always rest with the Company. The Company does not bind itself to accept the lowest Tender and reserves the right to reject any or all the Tenders received without assigning any reason whatsoever. The whole contracted quantity may be split between two or more suppliers, if considered expedient in the interest of the Company.

12.2 The Company shall have the right to postpone the last date for receipt and/or opening of Tenders and may do so without assigning any reason whatsoever and a corrigendum to this effect will be issued by the Company.

13. CONTRACT VALIDITY PERIOD :

The price quoted in the Tender shall remain valid for a period of **five months** or till the completion of the last batch of ENA permits which has remained not supplied at the end of such five months period of contract, whichever is later from the date of signing of contract. However the Company has a right to extend this period by **one month** on the same terms and conditions.

14. PRICE ESCALATION :

No request for price escalation will be entertained under any circumstances and the price agreed in the contract shall be final. The contractor is not entitled for any additional payment over and above the amount specified in the contract on any account and the contractor is not entitled to any additional payment towards escalation.

15. ADDENDA :

Addenda, if any, to this Detailed Tender Conditions may be issued by the Company prior to the date of opening of the tenders, if found necessary

and the same will be published in online portal only. Bidders are advised to visit the e-procurement portal <https://pudutenders.gov.in> for any changes.

16. RIGHT TO TERMINATE CONTRACT :

16.1 The Managing Director of the Company shall be entitled to terminate and discharge the contract without prejudice to the other rights and remedies, if the contractor becomes insolvent or fails and / or neglects to effect the supply or delays the supply or violates the conditions of the contract without reasonable cause.

16.2 In case of termination of the contract by the Managing Director owing to the default on the part of the contractor, the Managing Director shall be entitled to appoint a new contractor or contractors to effect the supply and the contractor hereunder shall in such a case lose and forfeit all his rights and interest whatsoever on this contract. The excess amount that the Company may incur in getting the supply during the contract period will be recovered from such defaulting contractor. The Company reserves the right to engage two or more contractors for the supply of ENA at the finalised price of the **L1 Tenderer** with the intention to avoid any short supply of ENA by natural calamity and catastrophe and other reasons beyond the control of the Suppliers and the Company.

16.3 If the quality of Extra Neutral Alcohol is not found satisfactory for the preparation of Arrack being sold to our licensed vendors, the Company has the right to cancel the supply schedule/order issued and cancel the contract at any point of time during the contract period.

17. PENAL CLAUSE :

17.1 Time is the essence of the contract for the supply of ENA. In case the supply is not effected as per the supply schedule, the order will be cancelled, the contract will be terminated and the Security Deposit may be forfeited without prejudice to other penalties that may be imposed.

17.2 The supplier will be liable to pay penalty to the Company at the rate at which the Company will become liable to incur losses on account of any delay in supply. The losses may be computed by the Managing Director and such quantification shall be binding on the supplier.
